Be a Friend!

Your support is very important to the success of the Friends of the Windham Public Library.

Sometimes we take them for granted. Yet a public library provides one of the best continuing sources of learning throughout a person's lifetime.

PURPOSE

"The Friends of the Windham Public Library shall be a non-profit organization whose objective shall be to promote interest in and welfare of the Windham Public Library as a cultural and educational study/research center. The Friends shall work to raise and accept funds for the library's benefit."

Constitution and Bylaws

FUND RAISERS

The Friends currently sponsor two book sales at the library each year, in April and November. In November baked goods are also offered for sale.

PROJECTS

The Friends of the Windham Public Library provide the "extra" needs of the library. For many years they have supported the children's summer reading program, discount passes to local museums and the Maine Wildlife Park, volunteer recognitions, and informational bookmarks. Recent projects that have been added are programming for adults and teens, financial support for library teas, and a library float for the Summerfest parade. Many one time projects have been funded for the library over the years including physical make-overs of the adult and children's sections of the library, transportation to a national conference, physical and technical equipment when needed, signage, art pieces and framing, automatic entry door openers, and a bike rack.
