

# Windham Public Library Crochet Club

## Materials List

*Our first project will be a duckling!*

All materials on this list can be found at the Windham Walmart or on Amazon. I will recommend cost-effective and reliable brands that I have had good results with but any brand will work!

### **Hook , Needle, and Stuffing:**

- 3.75 (F) Hook
- Darning Needle
- Poly-fil

**Note:** If you suffer from hand pain or arthritis, some may find it useful to use a handled ergonomic crochet hook. The crochet hook brand Boye usually has some at Walmart (the 3.75 (J) hook is light purple).

### **Yarn:**

All yarn should be acrylic & worsted weight (Size 4). I recommend the brand, Red Heart, or Mainstays (Walmart brand).

- White or light yellow  (Depends on what color you want your duck to be)
- Orange
- Black
